As a member I _____ agree to the following.

- I will pay all fees due at the time of service.
- This agreement supersedes all contracts entered into between Evanston Chiropractic Center and my insurance company or companies if more than one. Specifically, I relinquish any billing, paperwork requirements, copay agreements and all financial stipulations that relate to my insurance(s) and Evanston Chiropractic Center. I will not, now or at a later date, ask for billing forms or any other paperwork beyond an itemized statement. (We are happy to send out patient records for treatment purposes, but realize that the online account you have will provide you some access to those notes)
- Due to Federal Law Medicare patients do not qualify for the membership adjustment fee as outlined and **HAVE** to be charged at the fee schedule set forth by Medicare. This is true even though they have opted out of medicare billing. Otherwise all other membership agreements apply.
